Re: Update: Bingham Canyon Mine 2003 Reclamation and Water Management  
Plan  
M/035/002  
Bingham Canyon Mine

Dear Mr. Baker:

Please find attached Form MR-REV for permit number M/035/002, Bingham Canyon Mine.

This revision to the plan is in response to the UDOGM letter dated February 3, 2011 titled "Acceptance of Amended Notice of Intention: Response to January 27, 2011, Operations Progress Report, Kennecott Utah Copper (KUC), Bingham Canyon Mine, M/035/0002, Salt Lake County, Utah". In the letter a request is made to submit a full scale drawing of Figure 4.6 (R-3) for 2010. It has been determined through verbal communication between UDOGM and KUC representatives that the map in question is a duplicate and out of date version of the 11" X 17" map submitted January 27, 2011 which displays the same detail and is current to the operation.

If you have any questions about these annual reports, please contact me at 801.569.7128 or Zeb Kenyon at 801.569.6035.

Sincerely,

Kelly Payne  
Manager  
Environment  
Kennecott Utah Copper
